### **OUR NETWORK OF HOSPITALS**

#### **SINGAPORE**

##### **Parkway East Hospital**

A 118-bed private general acute care hospital with an outreach specialist centre in eastern Singapore that provides a wide range of medical and surgical facilities, Parkway East Hospital (formerly known as East Shore Hospital) has built a niche for itself among residents in Eastern Singapore and the region for its personalised approach to care, convenient location and user-friendly services. Parkway East is also accredited with Joint Commission International (JCI).

##### **Gleneagles Hospital**

A 272-bed private tertiary acute care hospital providing a wide range of medical and surgical services for the total management of patients, Gleneagles' key strengths include its patient focus, user-friendly services, quality care, specialists' expertise and proven technology. Gleneagles Hospital is accredited with Joint Commission International (JCI).

##### **Mount Elizabeth Hospital**

A 357-bed private tertiary acute care hospital, Mount Elizabeth Hospital is one of the largest hospitals in the region and has an established reputation in Asia for private healthcare. It provides a wide range of medical and surgical services and is well known for the depth of expertise of its specialists, quality care of its nurses and staff, and its state-of-the-art technology.

Mount Elizabeth Hospital performs the largest number of cardiac surgeries and neurosurgeries in the private sector in the region. The hospital is accredited with Joint Commission International (JCI); and is the first private hospital in Asia to win the Asian Management Award for exceptional people development and management.

##### **Parkway Novena Hospital (under construction)**

When it opens in 2012, the premier 333-bed Parkway Novena Hospital will set new standards for medical excellence and patient care in Singapore and the region. Centrally located in Singapore's Novena medical hub, the Hospital will be a world-class medical facility focusing on heart and vascular medicine, General Surgery, Orthopaedics and Neurology. Patients will be able to experience dedicated and personalised service in a luxurious and healing environment that is a hallmark of Parkway's patient care.
